

Quality Vinyl Fencing

Tongue & Groove Privacy with Step Down Pickets 5 1/2' - 6' h.

Most vinyl fence and railing profiles appear the same, that is until you take a closer look. A closer inspection of fence and railing extrusions from **VEKA** will reveal a higher quality vinyl profile. A thicker substrate indicates that you have purchased a fence and railing system that is backed by the most comprehensive warranty in the industry today. Made In America!

Tongue & Groove with Lattice & Scalloped Rail 5 1/2' - 6' h.

Sunburst Tongue & Groove Privacy - 6' h.

5 1/2' - 6' h.
Arch Top Tongue & Groove Privacy

We can fabricate panels to give your project a custom look at an affordable price.

1 1/2" Narrow, Scalloped Picket - 3 1/2' - 4' h.

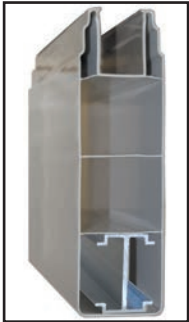

Tongue & Groove with Reduced Diamond Top 5' h.

- Vinyl compound blended with impact modifiers – Creates a durable product that will not chip, crack, or peel.
- Low maintenance never needs painting or staining. Cleans easily, saves you time and money.
- Limited Lifetime Warranty – Your assurance of a quality investment in your property.

Beauty and durability to last a lifetime!

SION WITHOUT THE
USE OF UNSIGHTLY
BRACKETS OR
SCREWS.

WELDED GATES

Includes Hardware As Shown

Custom Heights Are Available At No
Extra Charge.

CUSTOM WELDED GATES
are available in widths over
72" wide.

- The oversized gates are mounted to round or square steel frames.
- Oversize sliding gates are also available.
- The gate shown is 96" wide.

Fully assembled gates are custom made to compliment every fence style. Single gates are available up to 72" wide. Double gates are available up to 144" wide.

Welded gates are stronger and weigh less than traditional gates.

Our welded gates are more aesthetically appealing than traditional gate manufacturing methods.

Welded gates do not have unsightly braces.

Double gates include 2 drop rods

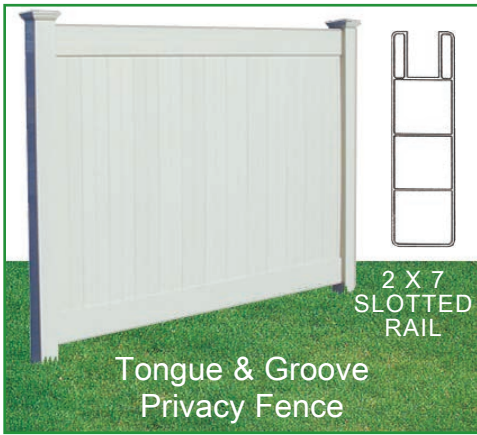

Aluminum Inserts Are Used To Re-inforce Both Hinge Mounts and Latches.

Add style and excitement to fence, deck and railing installations with bent vinyl components.
